

Tabor REACH Statement

Tabor Compliance with the EU REACH REGULATION No 1907/2006

REACH is a new European Community Regulation on chemicals and their safe use (EC 1907/2006). The Regulation deals with the Registration, Evaluation, Authorization and Restriction of Chemical substances. The new law entered into force on 1 June 2007.

Tabor Electronics does not produce substances or preparations which need to be registered according to the REACH regulation. Tabor's products are "articles" as defined in REACH Article 3(3) and do not release substances under their normal use.

Suppliers of articles must provide recipients with information on SVHC (Substances of Very High Concern) if those are present above a concentration limit of 0.1% on an article level. Tabor products do not contain any of the substances listed on currently published SVHC List.

Tabor supports the basic aim of REACH in improving the protection of our environmental and human health and safety.

Feel free to contact us if you have questions concerning Tabor's REACH policy.
